D3's workflow bots automate manual workflows, reducing hours to minutes, returning *value* to your team the *instant* they are installed.

> Send notification emails after files are released
> Upload BOM information to Access, SQL or an ERP
> Create reports in Excel for purchasing and vendors
> Publish drawings to PDF
> Auto-sign drawings upon release based on user
> Export files to DWF, IGES, SAT, STL, and more
> Print shop orders with drawings on the backside
> Update web portals (Sharepoint) with released files
> Custom solutions to automate your workflow
